Sir,

In submitting herewith the records ending with the Dodballapur Sub Division Officer's No.C.H.374 of 20-21 dated the 8th September 1921, - I have the honor to state that in the year 1903 the Government ordered to melt the sundry silver offerings belonging to Sri Subramanyaswami - Temple at Ghati in the Dodballapur Taluk (vide Government Order No.2031/ Miz.F.88-92 dated 4th April 1903) and that again in 1912 they ordered that some necessary articles might be got prepared out of the sale proceeds of silver offerings. For some reason or other, no action was taken in the matter and the silver pieces remain as they were, subsequent offerings being also added. These are kept in the Taluk Treasury in sealed bags. The total weight of the up-to-date accumulations including the weight of the bags is reported to be of Rs.2097-8-0 and the bullion silver in these pieces is about six annas in the rupee.

Under these circumstances, I request you to be so good as to obtain fresh sanction of Government to melt the same.

After melting and knowing the exact weight and standard of silver, - proposals will be submitted for the preparation of several articles from the said silver for the use in the temple, such as silver Subramanyaswami vigraha, Chamara, vessels ~~and~~ for puja etc.

I have the honor to be,
Sir,
Your most obedient servant,

A. K. Syed Taj Peeran
